What is the L.I.E.?

The L.I.E. is the **Lodge Induction Experience**, based on the new OA inductions experience to launch in 2027. Each Lodge must first provide a trial run of the new induction weekend for all members to participate and help guide our inductions in 2027. We need your voice!

**Already been to the Section or
National Induction Experience?**

We still need you!

We will need Ceremonialists,
Luminaries, support staff and
most importantly, candidates!

So whether you have seen the new inductions all the way from the first pilot last November, or this will be your first interaction with it, come join us at Pennacook Lodge's L.I.E.!
